

Fusion 2015

Vancouver June 6-13, 2015

Call. Campus. City.

Origin Church invites you to bring your Sr. High and College-age students for a heart-expanding week of walking with Jesus in a city. We will:

- Explore the University of British Columbia campus.
- Reach out to students and residents in the city.
- Meet church planters, disciple makers, and city ministry leaders.
- Expand your view of the Gospel and Jesus' call on your life.
- Enter the challenge of reaching the nations in globally connected cities with Jesus.
- Develop a vision for on-mission living in your home cities and campuses.

Come explore what it means to be a Gospel-Shaped, Disciple-Making, and City-Blessing church in the U.B.C. campus community. During the weekdays we will have a series of training sessions followed by experiences to reinforce and develop the heart and skills related to missional living and church planting. In the evenings we will have worship and inspirational speakers together.
